The Bachelor of Education (Teaching Islamic Studies in Primary School) or B.Ed. (TISPS) is a programme offered by the School of Arts, Humanities and Social Sciences at AeU to in-service teachers or those interested in the teaching profession. The aim of this programme is to strengthen and enrich knowledge in Islamic Studies at the primary school level. The use of technology through online learning and blended learning as the main medium in the teaching and learning process in this programme will stimulate teachers’ intellect and increase their professionalism in school. This programme has received accreditation from the Malaysian Qualifications Agency (MQA) and the Ministry of Higher Education (MOHE).

**Bachelor of Education (Teaching Islamic Studies in Primary School) (Hons)**

The Bachelor of Education (Teaching Islamic Studies in Primary School) or B.Ed. (TISPS) is a programme offered by the School of Arts, Humanities and Social Sciences at AeU to in-service teachers or those interested in the teaching profession. The aim of this programme is to strengthen and enrich knowledge in Islamic Studies at the primary school level. The use of technology through online learning and blended learning as the main medium in the teaching and learning process in this programme will stimulate teachers’ intellect and increase their professionalism in school. This programme has received accreditation from the Malaysian Qualifications Agency (MQA) and the Ministry of Higher Education (MOHE).

**Learning Objectives**

- Increase knowledge and understanding in the teaching of Islamic subjects as well as develop the critical thinking and creative problem-solving abilities of the students.
- Strengthen the teaching skills of primary school Islamic Studies teachers through innovative methods, strategies and techniques in accordance with current needs.
- Encourage action research and apply problem-solving skills in the classroom.
- Produce teachers who have a global perspective and who are sensitive to educational developments in Asia, Europe and North America and compare this with the situation in Malaysia.
- Produce teachers who can meet the learning needs of the 21st century through the use of innovative instructional methods, technology and new media.

**Entry Requirements**

**General minimum entry requirements:**
- Diploma/Teaching Diploma with a CGPA of 2.00 and above, OR
- STPM/STAM
