Master of Human Resource Management (MHRM)  

This programme aims to provide students with the knowledge to be proficient in human resource (HR) management concepts, skills and activities in order to help develop HR systems that will support their organisation’s strategic objectives.

Learning Objectives

- Be able to independently develop and understand how to implement legally sustainable and ethical HR planning, recruitment, selection and retention processes, training programmes, performance management and appraisal systems, feedback and disciplinary measures, implement compensation, benefit and reward systems; and personnel policies and labour-management practices.
- Recognise opportunities and understand how to implement activities that foster constructive organisational change through commitment, motivation, teamwork, wellness, safety and values.
- Critically analyse and form action plans to address HR operational issues and implement sound solutions.
- Contrast international HR practices across various cultures and recognise necessary adjustment for cross cultural differences.

Entry Requirements

- Bachelor’s Degree with Honours in the relevant field, OR
- Bachelor’s Degree in other fields recognised by the AeU Senate, OR
- Open entry qualifications recognised by the Ministry of Higher Education, Malaysia:
  - Be at least 35 years old
  - Possess STPM/Matriculation/Diploma or its equivalent
  - Provide evidence of prior learning experience and/or knowledge relevant to the programme applied for, OR
- Other qualifications recognised by the AeU Senate.
