

SCHOOL OF EDUCATION & COGNITIVE SCIENCE

Graduate Diploma in Teaching (N/141/6/0004) 11/16

The Graduate Diploma in Teaching aims to enhance the knowledge, skills and attitudes/values of educators in primary and secondary schools. The Graduate Diploma in Teaching programme is designed for practicing early childhood educators who want to expand their academic knowledge and enhance their professional skills. The programme is approved by the Malaysian Ministry of Higher Education and accredited by the Malaysian Qualifications Agency.

Learning Objectives

- Equip educators with the foundations of education which includes philosophy of education, educational psychology and sociology of education.
- Provide educators with theories underlying different pedagogical strategies and their application in the classroom.
- Expose educators to current technologies and their application in enhancing learning.
- Develop educator's skills and competencies to evaluate student learning.
- Refine the skills of educators in developing curriculum and delivery plans.
- Enhance the skills of educators in managing the classroom.
- Provide an opportunity for educators to practice teaching and to be supervised.
- Encourage educators to be reflective of their practices and processes.

1. Pedagogical Models & Strategies
2. Curriculum Design and Development
3. Testing and Evaluation
4. Classroom Management
5. Principles of Instructional Technology
6. Counselling for Teachers
7. Reflective Practice in Teaching

Practice

1. Micro-teaching
2. Project Paper
3. Practicum

Method of Delivery

The 'blended approach' used in the delivery of the programme consists of 3 components: **Independent Study, Online Discussion** and **Face-to-Face Tutorials**.

For a 3 credit course, 90 hours will be allocated for independent study, 20 hours of online discussion and 10 hours of face-to-face discussion.

• Independent Study:

As a distance learner, you will have to do a lot of studying on your own. But not to worry! You will be provided with all the learning materials written in a form that is easy to understand. The writing style of the learning material is friendly and conversational, as though the lecturer is there talking to you.

• Face-to-Face Tutorials:

There will 10-12 hours of tutorials for each subject conducted as follows:

- 3 sessions per semester held during weekends (Saturday afternoon & whole of Sunday)
- Tutorials will be conducted as learning centres

• Online Discussion:

Students are encouraged to go online and discuss with classmates and their facilitator. Do not worry if you are not familiar with using the computer. Training will be provided to enable you to use the internet and the learning management system. There are a lot of video clips that will help you understand the concepts and principles you will be learning.
