AeU is a collaborative multinational university instituted under the auspices of the Asia Cooperation Dialogue (ACD), supported by thirty three (33) ACD member countries. Established in 2007, AeU has grown to become one of the leading providers of open and distance learning (ODL) in Asia. As an ODL institution, AeU’s focus is to provide accessible and affordable higher education for all.

In just seven swift years, AeU has established a remarkable reputation as the acclaimed institution of choice which provides knowledge acquisition for human capital needs in the region through e-education.

AeU has garnered several awards such as the Brand Laureate Awards 2010 for “Best Brand in Education - e-Education,” and the Asia Pacific Entrepreneurship Awards 2010 under the “Most Promising Entrepreneur” category. Additionally, in 2012, the University was announced as “the best ACD Project” during the ACD Meeting in Kuwait.

It offers more than forty (40) academic programmes at all levels through the five academic schools; the School of Management, School of Education & Cognitive Science, School of Information & Communications Technology, School of Arts, Humanities & Social Sciences and School of Graduate Studies.
