

## SCHOOL OF EDUCATION & COGNITIVE SCIENCE

### Graduate Diploma in Early Childhood Education (R-DL/143/6/0122) 08/21

The Graduate Diploma in Early Childhood Education (GDipECE) programme is designed for practicing early childhood educators and childcare providers who want to expand their academic knowledge and enhance their professional skills. It is specially tailored for educators and childcare providers who intend to acquire a recognised qualification in early childhood education but are unable to leave their place of work. The programme is internationally benchmarked, approved by the Malaysian Ministry of Higher Education and accredited by the Malaysian Qualifications Agency.

#### Learning Outcomes

- Able to apply knowledge of child development in planning supportive and challenging learning environments for children.
- Able to plan and implement Developmentally Appropriate Practices (DAP) for young children, with sensitivity to individual needs.
- Able to explain organisational regulations, policies, ethical guidelines, and standards associated with the provision of early childhood education services.
- Able to appreciate that teaching young children is an art, science, craft and profession.

#### Entry Requirements
