

SCHOOL OF SCIENCE & TECHNOLOGY

Master of ICT Management (R/481/7/0455) 05/19

Master of Information & Communication Technology Management (MICTM) is a blended learning programme offered by Asia e University (AeU). It is designed for people who are from technical and non-technical backgrounds to become future corporate leaders in today's technology driven industries. The flexibility in learning and assessment is ideal for busy working adults who aspire to enhance their qualifications. The programme is approved by the Malaysian Ministry of Higher Education and accredited by the Malaysian Qualifications Agency.

Learning Objectives

- Students will be able to use ICT techniques effectively in solving problems and making decisions in any organisation.
- Students will be able to relate their academic study with the current work-related problems through the acquired theories and concepts.
- Students will be able to obtain skills in analysing complex problems, make the right decisions and apply strategic thinking and organisational planning in ICT.

Entry Requirements

NORMAL ENTRY

For Malaysian Students:

- Bachelor's Degree or its equivalent accepted by AeU Senate.

For International Students:

- A recognised Bachelor's Degree (or equivalent), with a CGPA of 2.5.
- English Language Proficiency equivalent to IELTS of 5.5 or TOEFL score of 550 or passed the AeU Placement Test or other equivalent approved by the Senate of AeU. Those who have their tertiary education in English shall normally be exempted from the requirement.
