About Asia e University
Asia e University (AeU) is a dual mode (residential full time or online distance learning), international university by Asians for Asia, supported by 31 member countries under the Asia Cooperation Dialogue (ACD).
The ACD is a continent-wide forum, the first of its kind in Asia. It aims to constitute the missing link by incorporating every Asian country and build an Asian community, consolidate its strengths and fortify its competitiveness.

AeU is recognized in Malaysia as its establishment is initiated by the Malaysian Government. All academic programmes in AeU are approved by the Malaysian Ministry of Higher Education and accredited by Malaysian Qualifications Agency (MQA).
