

AeU students who reflect the university's philosophy of "education for Asia by Asians".

# Flexible learning at AeU

> Affordable and easily accessible courses

**A** REPUTABLE and fast-expanding tertiary institution, Asia e University (AeU) is a one-stop learning platform for the delivery of education programmes.

The university's flexible learning offers students the ease of studying online while they continue to work. Programmes are affordable and easily accessible, whether they are offered on a full-time basis or part-time.

The university leverages on the collective efforts of 32 Asian countries under the Asia Cooperation Dialogue (ACD). It also collaborates with more than 50 higher education and training institutions to exploit the growth of the local and international higher education market by offering high quality programmes approved by the Ministry of Education.

Undergraduate programmes such as Bachelor degrees and Graduate Diplomas are offered, along with postgraduate programmes including Doctorates, Masters

and Postgraduate Diplomas. In addition, there are executive programmes and professional courses for working adults who aspire to upgrade their skills and knowledge.

AeU's School of Graduate Studies (SGS) is among the fastest growing postgraduate schools in Malaysia. SGS assists students in independent research, with the guidance of supervisors and workshops as well as personalised support. Research programmes include Doctor of Philosophy (PhD) in Business Administration and Industrial Doctorate (IndD).

With more than 10,000 students currently enrolled in their 30 programmes, ranging from PhD to foundation courses, the university is fully assured that its efforts in promulgating online and flexible learning are in line with the Ministry of Higher Education's agenda, which is to enhance the quality of higher education to be on a par with international standards by 2020.

Candidates can apply for studies through normal entry or via Open Entry admission that considers the individual's working experience.
